

TABERNACLE BAPTIST PRESCHOOL

2019-2020

Tabernacle Baptist Preschool has been in operation since 1957. Throughout these years, the Preschool has been an outreach ministry of Tabernacle Baptist Church. The purpose of our Preschool is to make every effort to offer families in our community a program that combines the highest standards in early childhood education with a Christian environment filled with love and family support in a safe and secure environment.

Christian preschool education provides an opportunity for children to grow spiritually, physically, emotionally, intellectually, and socially. We recognize that each child is a gift from God and truly unique. We strive to provide a Christian, child centered, nurturing environment where children feel significant, successful, and experience a sense of belonging while practicing a variety of life skills. We offer children opportunities to socialize, investigate, play and express themselves independently as well as cooperatively in small groups. We encourage each child to explore and participate in a variety of age-appropriate activities such as music, art, big church, language, beginning math concepts, science, field trips (4's and 5's), and many planned special days throughout the year.
