

Sonshine Explorers

Join us for a summer of exploration! Each week your child will have opportunities to play, explore and create!

Ages: 18 months - 5 years old
Tuesdays and Thursdays
Time: 9:00 a.m. to 12:00 p.m.

June 11, 13: In the Meadow: A meadow is a habitat filled with hidden wonders. We invite the children to join us in learning about plants and wildlife that call a meadow home.

June 18, 20: Giddy Up and Go: Yee-haw, cowpokes! It's time for some rip-roarin' fun! The children will "go west" to learn about cowboys, ranch life, horses, rodeos, and everything western. Saddle up!

June 25, 27: To Market, To Market: We will gather the children for a pretend trip to the farmers market or local store, where they will learn about all kinds of interesting things to buy! The children will pretend to choose products to purchase, pay for them, and use appropriate manners in the checkout lane.

July 9, 11: Sports Talk: We will introduce our little athletes to this all-star sports theme! They'll learn about many different types of sports and their equipment, game rules, different types of athletes, and sportsmanship.

July 16, 18: Playground Palooza: Who doesn't love a playground? Enjoy the sizzling days of summer by discussing playground structures and enjoying a wide variety of outdoor learning activities.

July 23, 25: Cookout Lookout: Summer is at its peak in August. We will take advantage of the last few days with barbecues and picnics. Don't be discouraged by a few ants—we'll learn about them too!
